## BURLESON BUSINESSMAN MAKES SPECIAL DELIVERIES

Managing logistics, deliveries and exceptional customer care are second nature to Dave Lockard. As the Chief Operating Officer for C.A.R. Transport, a specialty auto hauler headquartered in Burleson, he has honed those qualities on the job for 25 years. Now he also puts them to work as a volunteer for Meals on Wheels of Johnson & Ellis Counties.

A member of the Burleson Rotary Club, Dave decided to try a turn on the regular route that the Rotary Club delivers each Friday. One hour was all it took. He quickly came to enjoy the clients and volunteered to be a substitute on other Burleson routes.

With a flexible work schedule, Dave can often fill in with minimal notice if the regular driver has a flat tire or missing keys, for example. After two years, he has learned all the Burleson routes, the clients and their dogs.

Dave finds interacting with the elderly to be rewarding. He explains, "I know most of them rarely get out, so I visit for a few minutes and make sure they are okay. I'll ask if there's anything else I can do, like move something or change a lightbulb."

Dave and C.A.R. Transport also provide financial support to Meals on Wheels. “We help with fundraising and the golf tournament. We have a good business and we are fortunate to be able to help, to give some back to the community,” Dave says.

Dave invests both his time and financial resources in Meals on Wheels because, “this is a good organization that meets a great need. Meals on Wheels truly cares about the people on the routes. When I get an extra note about the particular circumstances of a client, I know that Meals on Wheels is deeply concerned about the people they serve.”

Johnson County Volunteer Specialist, Natasha McCord knows she can count on Dave. She says that he embodies the benevolent spirit that Meals on Wheels volunteers and donors share. “Dave has such a giving attitude and asks what he can do to help his community. If we haven’t called him to substitute in a while, he’ll call us and remind us that he’s available.”

Whether Dave is delivering cars or meals, his customers appreciate his excellent service, and he is honored to assist.

## MAKE A DIFFERENCE IN THE LIVES OF MANY

With a little planning, you can make a big difference in the lives of needy homebound elderly and disabled people well into the future. Contact us to learn more.

Dave (left) visits with Dan on his route. They have become very good friends.
