JOHNSON & ELLIS COUNTIES

TOGETHER, WE CAN DELIVER.

BREAD BASKET

SERVING THE GREATEST GENERATION

Many of the individuals we serve are members of the “Greatest Generation.” At 91, Vincent embodies the values of these amazing individuals. He grew up during the Great Depression in a family of 10. As soon as he was old enough, his job was to gather fruit from the surrounding trees and help his grandmother bake bread to help feed the family. He joined the Marines as soon as he turned 18 and served as Corporal in the 29th Division in World War II.

On Easter Sunday in 1945, Vincent landed on Okinawa. He was wounded twice in battle—first with shrapnel strikes to the head and back from a hand grenade and the second time with a bullet wound to his leg. Vincent served in Okinawa until the end of the war. He was awarded the Purple Heart for his injuries suffered in combat. Vincent continued his brave service at home and retired as a Captain from the Dallas Fire Department. He was married to his sweetheart Barbara for 63 years before she passed away in 2013.

Vincent was a longtime donor to Meals on Wheels before he started receiving meals in 2014.

“I don’t like to think about people being hungry, so that’s why I started donating. It wasn’t long before I needed help, and I called them,” he says.

Thanks to your generosity, neighbors like Vincent can remain in their homes as long as possible. A nutritious meal and a visit from our dedicated volunteers makes all the difference. Your gifts provide

independence and dignity to people who have made lifelong sacrifices for all of us. We can’t thank you enough for your continued support. We are so honored to serve heroes like Vincent and thank YOU for making that possible!

MAKE A BIG IMPACT

Your generosity can support seniors in our community for years to come. Contact our office at 817.558.2840 or 972.351.9943 or visit mowjec.planmylegacy.org to learn more.

DONATING STOCK

With the stock market regularly breaking records at the closing bell, many of your investments are likely worth more today than what you originally paid for them.

Is it time to sell? If you do, you might have to pay capital gains taxes. There's a better option that provides you with valuable tax incentives as well as the satisfaction of supporting a cause close to your heart: Give your stock to Meals on Wheels of Johnson & Ellis Counties.

When you give Meals on Wheels appreciated securities that you've owned for more than one year, you will receive two tax benefits:

1. You are entitled to a federal income tax deduction based on the current fair market value of the securities, regardless of their lower original cost.
2. You will be exempt from paying capital gains taxes on any increase in value—taxes you would pay if you sold the stock.

WE'RE HERE TO HELP

To discuss using your stock holdings to support our mission, please contact Paige Harris at 817.558.2840 or 972.351.9943. Together with your advisor, we can help you fulfill your charitable goals and protect your assets from unnecessary taxes.

GOLF BENEFIT CELEBRATES 30 YEARS

Thank you sponsors, golfers, volunteers and donors for making the 2017 Meals on Wheels Golf Benefit a tremendous success! This year we played at Cleburne Golf Links, where everyone in attendance enjoyed the beautiful weather and food prepared by Atmos Energy and H-E-B partners. A special thank you goes to the Baker Foundation of Burleson for being our Title Sponsor for our 30th Benefit and Motor Home Specialist for its Special Underwriter Sponsorship. On behalf of all those we serve, we are grateful for your support!

Annie turned 101 years old in March.

YOU MAKE THE DIFFERENCE

Thank you for helping us serve Annie! We began delivering meals to her when she was 87. That was 14 years ago! Your support has helped Annie stay at home where she is happiest. You've provided independence and nourishment, and those gifts are priceless. Thank you for being Annie's lifeline!

MAKING A DIFFERENCE IN THE LIVES OF MANY BY HELPING:

- feed the hungry.
- break the isolation of a lonely day.
- allow people to live independently.
- allow families to care for their loved ones.
- improve the overall quality of life.
